YES, I plan for my child to return to The Museum School (TMS) for the 2017-2018 school year. I understand that I do not need to submit an additional application for my currently enrolled student; however, I understand that I will be required to submit current proof of residency documents, updated health records and any other documentation requested during the re-enrollment/registration period (dates TBD).

I also understand that siblings of current students are not automatically enrolled in TMS. It is my responsibility to complete and submit an application for any incoming sibling(s) of a currently enrolled student (including all required supporting documentation) during the open enrollment period beginning January 30, 2017 and ending on February 10, 2017. In addition, I understand that failure to follow this protocol will result in my inability to enroll such sibling(s) in TMS for the 2017-2018 school year. I further understand that "sibling preference" only applies to siblings of currently enrolled students in grades K-7th; 8th grade is excluded.

NO, I do NOT plan for my child to return to The Museum School for the 2017-2018 school year. I understand that as a result of my decision my child will NOT be secured a slot for the 2017-2018 school year and further that my spot will be made available to a new student for the 2017-2018 lottery.
