

8th Grade Summer Math

*** All 7th graders must get up to an 80% on these 8th grade IXL skills by August 18th.***

All students will be taking an assessment on the following standards on August 18th:

1. **C.8** Evaluate numerical expressions involving integers
2. **E.2** Add and subtract rational numbers
3. **E.5** Multiply and divide rational numbers
4. **H.5** Unit rates
5. **H.10** Solve proportions
6. **J.9** Solve percent equations
7. **K.5** Percent of a number: tax, discount, and more
8. **V.12** Multiply using the distributive property
9. **W.7** Solve two-step equations
10. **X.4** Solve one-step inequalities
