

Adopt a Ukulele!

The Museum School Music

Department is looking to purchase a class set of ukuleles, and you can help! Adopt a ukulele, and we'll let you name it, pick out the color (if available), and we'll put a sticker on the back with the name of the family, business, or individual that purchases.

All 4th and 5th grade students will use the ukuleles, which will affect approximately 120 kids each year!

Your name:

Ukulele Name:
