TO: Bidding Contractors

This addendum forms a part of the Contract Documents and modifies the original Construction Documents previously issued as noted below.

This Addendum consists of 1 page, and the attachments listed below, with a revision date of **July 26, 2018**, unless otherwise indicated. In modified specifications, new text is indicated by highlighting or underlining. Drawings listed herewith and attached indicate revisions with clouds. Modifications to documents included in this addendum are primarily related to the following:

1. Clarification of Scope of Alternates

The documents stated herein revise or modify the referenced specification or drawing as noted.

The Project includes NO Alternates. References to alternates will be removed from the Contract Documents in a subsequent Addendum.
