

The Museum School of Avondale Estates seeks a qualified, dynamic, and passionate **part-time health teacher** for the 2019-2020 school year. The teachers will develop and implement lessons that are hands-on, interactive, and aligned with the Georgia Standards of Excellence. Additionally, the teacher will differentiate curriculum for students based on readiness levels and learning styles.

The mission of The Museum School of Avondale Estates is to inspire students, teachers, and the community to collaborate to develop strong critical thinking, interpersonal, and academic skills in our students, which will prepare them for real-world success. The Museum School offers the accessibility of a public school with the organizational and curricular innovation of a museum school model. Beginning at the neighborhood level, students develop a strong sense of community, independence, responsibility, and respect for the impact of their decisions and actions on others. These skills will inspire them with the confidence to identify and manage problems at the local and global level.

## Qualifications

- Minimum Bachelors Degree; Degree in field of education preferred
- Georgia certification in appropriate field of education; Certification/Endorsement in more than 1 field preferred
- Knowledge of and experience implementing various instructional and teaching methodologies
- Experience working with a diverse student population preferred
- Experience integrating curriculum, Georgia Standards of Excellence, and effective instructional practices
- Experience in creating standards-based lessons, units, and assessments
- Experience with data analysis and tailoring instruction based on data
- Excellent organizational, planning, and implementation skills
- Effective written and oral communication skills
- Extensive knowledge and experience with use of technology in a classroom
- Ability to collaborate with colleagues to create an interdisciplinary curriculum

## Responsibilities

- Providing instruction based on the museum school model, guidelines for differentiating curriculum, and best practices
- Developing and implementing health-based lessons and activities based on individual needs and learning styles
- Planning collaboratively with school staff and museum staff to develop thematic units, schedule Learning Expeditions, and prepare for Exhibit Nights
- Monitoring student progress through formal and informal assessments
- Monitoring personal progress through reflection and creation of Professional Growth Plan
- Implementing a pro-active, consistent, and effective classroom management system
- Carrying out components of the school's wellness plan
- Working closely with the school nurse, PE teacher, and nutrition coordinator to meet the needs of staff and students through various initiatives, including 5<sup>th</sup> grade puberty talks and 7<sup>th</sup> grade scoliosis screening
- Participating in Professional Development workshops and opportunities

## How to Apply
